renault carminat navigation europe 322 2013 Renault Scenic Price: The Scenic is the small version of the Renault Megane 4D.

It is more cost effective and compact with much lower engine than the Megane. The Scenic uses the same 1.0 16 valve, 3 cylinder engine as the other Scenic variants, with similar performance. 2014 Renault Scenic 1.6 21:35:14 2014 Renault Scenic 1.6 11:54:39 Renault Scenic engine All models are powered by a 16 valve 1.0 -litre four cylinder petrol engine that produces 106 hp and 113 Nm of torque with stop start technology and an electric motor that is capable of 140 hp and 89 Nm. The engine is coupled with a five speed manual gearbox or a five speed Dual Clutch Transmission (DCT) with manual mode. In manual mode, the gearbox is controlled by buttons on the steering wheel for quick gear changes. Renault Scenic Trd 2i Renault Scenic 2i -1.6 T.D The 2i uses the same six speed manual gearbox as the 1.6. Renault Scenic Ex Clutch There is no automatic option available in the Ex as per the manual transmission configuration. The Ex uses the same six speed manual gearbox as the 1.6 and 2i Renault Scenic Nav 7 In Nav 7 it has the same engine as the Ex as well as the same gearbox. Renault Scenic Trd 3s Renault Scenic 3s -1.6 T.D The 3s uses the same six speed manual gearbox as the 1.6. Renault Scenic Nav 4 The Nav 4 comes with the 1.6 engine with the same six speed manual gearbox as the 1.6 Ex. Renault Scenic Nav 5 The Nav 5 is the most expensive of all Nav versions. It comes with the 1.6 engine as well as the five speed manual gearbox. The Nav 5 comes with driver seat height adjustment and full leather upholstery. Renault Scenic Nav 6 Ren 82157476af
